OFFICE OF THE SECRETARY TO THE GOVERNOR OF MADRAS.

PRINCE OF WALES'S ROYAL INDIAN MILITARY COLLEGE, DEHRA DUN.

Dated Government House, Madras, the 3rd March 1939.

No. 7.—

(1) In connexion with the admission of candidates to the Prince of Wales's Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates:—

The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy, and making one of these services their profession in life. The course of study at the College will, however be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Navy, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India

(b) Indian States.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 1st August 1939.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees of students are Rs. 1,600 for each school year. This is a privileged rate and is liable to enhancement hereafter, if circumstances require. Any enhancement of fees that may hereafter be decided upon will, however, be applied to new entrants only. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind and, as initial provision, one suit of the uniform to be worn by students when at the college. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes, as well as the cost of books and stationery (which will be supplied by the college) over and above the Government grant for this purpose will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the college authorities, at the time of entering the college, the sum of Rs. 50 which will be returned when the cadet finally leaves the college provided that all dues have been paid

Should it be necessary for cadets to be admitted into a hospital (other than the college hospital), or to provide additional nursing nature for the treatment of cadets in the college hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the College. In the event of such notice not being given, the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration (on this point final decision will rest with the Government of India). In cases where notice of withdrawal is given in the first half of the term preceding the term from which the cadet is to be withdrawn the recovery of a full term's fees in lieu may be waived at the discretion of the Government of India.

(6) Remission of fees will be granted in August each year to the sons of Indian Officers or men who have served in the regular army, where the services and financial circumstances of the father warrant it. Such remissions are limited to Rs. 600 per annum to any one cadet and are granted for a year at a time, after which they are reviewed

(7) Parents or guardians of candidates for admission to the College, at the time of the submission of the applications, will furnish signed declarations (in duplicate) in the following form:—

"I, ——— father / guardian of ———, a candidate for admission to the Prince of Wales's Royal Indian Military College, Dehra Dun, declare that it is my desire that my son / ward should make the Indian Army, Air Force or Royal Indian Navy his profession in life.

I declare also that—

(a) if my son / ward withdraws from the Prince of Wales's Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Navy,

or

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the institutions with the intention of adopting the Indian Army, Indian Air Force or Royal Indian Navy as his profession, for reasons within his control or mine (on which points final decision will rest with the Government of India), I shall be required to pay the full cost (Rs. 2,700 per annum) which Government may have incurred on his education at the Prince of Wales's Royal Indian Military College.

I declare also that my son / ward is unmarried and that he will remain a bachelor whilst at the College and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Navy

No. 402-D/34, dated 18th July 1934, published on page 378 of Part I-B of the *Fort St. George Gazette*, dated the 24th July 1934, and with reference to the syllabus in Typewriting—Higher Grade (Oral and Practical portions only), the following list of duplicating machines that have been approved for use in connection with the Government Technical Examinations is published for the general information of the heads of commercial institutions in the Presidency and in the Indian States and of the candidates offering themselves for the examination:—

1 Multor, hand feed.
2 R.R.R, No. 14, hand feed (Old R.R.R. No. 11).

11 Roneo No. 10, self-feeding.
12 Multi part Rotary Duplicator.
13 Ellam's Duplicator H-10 Model.
14 Copygraph Duplicator.

15. The knowledge of the duplicating machine mentioned above with regard to the cutting of stencil and the taking of copies on them will be demanded of candidates with effect from the examinations of January 1935. They are, therefore, warned to pay adequate attention to this part of the syllabus. Candidates are expected to bring with them when they attend the Oral and Practical examinations, any one of the above duplicating machines in addition to the particular kind of typewriter which they used while answering the written test.

16. *Seats and accommodation for the candidates.*—(a) Candidates will be permitted to bring with them for their use at the examination hall their own tables, chairs or stools, if they choose; provided they take care to see that by so doing, they do not give room to the slightest disturbance being caused to the examination hall.

(b) The candidates will be allowed to take their seats in the examination hall five minutes before the appointed hour for giving out the question paper and supplied with the necessary paper for answering and get their machines ready for work with paper inserted in them and to have their register numbers at the left hand corner of their answer papers and the particular kind of Typewriter they use at the right hand corner, typed before the question paper is given to them.

17. Candidates are strictly told not to write anything on the question paper itself. Calculations or any other points they wish to note must be written on one of the blank sheets supplied to them and such sheets including the carbon papers should be left on the table. Further, candidates are strictly warned not to take carbon copies more than what is required of them in the question paper.

18. The candidates will, if necessary, be examined *in batches* but at least *every two candidates for the Higher grade*, must have one machine among them.

19. Managers and Instructors of Institutions concerned are expected to see that their pupils are supplied with Typewriting machines in proper working order.

20 Managers and Instructors will be allowed into the examination hall in the intervals between the various batches to inspect the machines and to remedy any defects. They should take care to see that they do not remain in the examination hall while the question paper is being distributed to the candidates in the examination hall or while their pupils are answering the question papers.

21. If, however, a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the Manager or Instructor if he is staying outside on the premises, and will permit such Manager or Instructor to enter the hall (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in this matter, his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the Manager or Instructor.

22. A similar concession will be allowed in the case of a private candidate, if he has access one outside who is willing to inspect the machine and put it right, etc.

23 *No extra time will be given to candidates to compensate for loss of time while the machine is out of order and is being put right.*

In the Mofussil.

24 Heads of Institutions who are desirous that their pupils who sit be examined in batches and private candidates who desire to be similarly examined should make the necessary arrangements with the Chief Superintendent concerned four days before the examination and furnish him with all the necessary information as to the number of candidates and machines and the time at which each batch will attend on the day fixed for the examination.

At Madras.

Typewriting (English) only.

25. Lower Grade—Candidate's Hall Ticket.—Tickets of admission specifying the particular Batch (first or second and the hour in which the candidates shall be present) will

be issued on Thursday, 27th April 1939, between 11 a.m. and 2 p.m. at the Office of the Commissioner for Government Examinations, Old College, Nungambakkam. These tickets should be shown at the entrance to the examination hall. Candidates who produce tickets will be admitted to the batch specified in the ticket. Candidates who do not provide themselves with tickets cannot claim to be admitted to any particular batch. They will be admitted only, if spare seats are available in the hall, i.e., after seats are reserved for those who have registered their names and obtained tickets for the batch. Candidates who do not hold tickets will accordingly have to wait at the entrance to the examination hall from the hour of commencement of the first batch and take their chances of being provided with seats in the first or in any subsequent batch. To avoid all incentive, hence and possible disappointment, heads of institutions who are desirous that their pupils should be distributed in batches and private candidates who desire to be similarly examined are particularly requested to call at the office on the day and date specified above with all the necessary information as to the number and name of candidates that will attend at the particular batch on the day fixed for the examination and obtain tickets of admittance accordingly. *No tickets can on any account be sent by post whether to heads of institutions or to private candidates.*

26. Candidates that have such a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Lower grade. But this does not preclude them from applying their names for that batch and obtaining tickets accordingly.

27. Candidates for the *Higher* grade may appear for the first or second batch at their option and *no tickets accordingly are issued for the grade.*

28. Instructor's Hall Ticket.—Managers or Functionaries of Institutions and other persons who wish to be allowed into the examination hall in the intervals between the examinations of the various batches to inspect the machines and remedy any defects, are requested to call at the office on Thursday, 27th April 1939, and have their names registered. Tickets of admission specifying their names, the institutions to which they belong, etc., will be issued to them and these should be produced at the entrance to the examination hall.

Both at Madras and in the Mufussil.

Attention is particularly drawn to the following rules :—

29. No candidate will be allowed to enter the examination hall unless he wears a clean and decent dress, and in all cases where good manners require it, a suitable covering for the head, nor will he be allowed to keep his shoes on unless they are shoes of English pattern, and socks and trousers are worn also.

30. No candidate suffering from any contagious disease will be admitted to the examination hall.

31. With a view to prove their identity to the Chief Superintendent at the examination, candidates required to produce, on the first day of their appearance for the examination, an identification certificate from a responsible person, preferably a Government official. Candidates appearing from recognized or approved schools should also obtain a similar certificate from the head of the institution concerned.

The following form of identification certificate is prescribed :—

I This is to certify that the bearer, ... is known to me and that he is a bona fide candidate appearing for the Government Technical Examinations in ..... (subjects with grades here to be specified).

2. The signature of the candidate affixed below was taken in my presence.

32. Candidates are requested to note carefully the particulars printed in the nominal list and satisfy themselves whether they tally with those as given by them in their applications for admission to the examinations, so that any alterations with regard to their initials, name or class of community or any other correction that may appear necessary might be pointed out by them in writing to the Chief Superintendent.

33. *No candidate will, on any account, be allowed to take into the examination hall notes, books, or portion of a book, ruled sheets, memoranda or papers of any kind.* Any candidate detected in the violation of this rule or detected in speaking to or in any way communicating with or copying from each other and in communicating with any other person outside the examination hall or having resource to any unfair practices will be sent out of the hall forthwith and his conduct reported to the Government for disciplinary action. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

34. Strict silence should be maintained in the examination hall.

35. Candidates are expected to take their seats in the examination hall at least five minutes before the time fixed for giving out the question papers. No candidate will be allowed to quit the examination hall on any day until the expiration of half an hour from the time fixed for the commencement of the examination and candidates arriving after the expiration of that half-hour will not be admitted.

36. No candidate will be allowed to re-enter the examination hall during the hours of examination after once quitting it, nor to leave the hall without finally giving up his answer papers.

37. Candidates are forbidden to note down the answer to any question on the question paper itself; they will not be allowed to take any papers, except their question papers, out of the examination hall.

38. Candidates are forbidden to tear up paper, or to throw ink or papers on the floor. All "spoilt" copies, etc., should be left on the desk where the candidate has been writing.

39. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instructions on this point in the examination hall from the Chief Superintendent of the examinations.

40. No candidate will be allowed to exceed the time assigned to each paper.

41. As soon as candidates have finished writing their answers and wish to give up their answer papers, or at the end of the period prescribed for each particular part of the examination, each should rise from his seat and remain standing until one of the Superintendents has gone up to him and has received his answer paper from him. Any candidate wishing to ask any question of the Superintendent will pursue the same course but will on no account leave his seat.

42. The answer papers should be stitched or pinned together at the upper left-hand corner, and the whole folded into *two*, lengthwise (not crosswise into four). The register number, the place of examination and also (in the case of the examinations in Shorthand, the particular system adopted) and (in the case of the examinations in Typewriting, the name and Model number of the Typewriter used) should be written out clearly by the candidates on the top right-hand side of the first page of the answer paper, as well as on the top of the paper after it is folded.

[N.B.—(1) Candidates are strictly forbidden to write or type their names on the answer papers.

(2) Candidates should distinctly understand that failure to furnish even any one of these particulars may involve the rejection of or may delay answer papers—particularly for Answer paper and up till all the candidate's register and the name of the work will not be valued.]

43. Candidates whose names are not in the printed list furnished to the Chief Superintendent must submit a written declaration through the Chief Superintendent giving full particulars in regard to themselves including their address, and furnish such evidence as may be possible of their having applied for admission to the examinations at the proper time and paid the prescribed fees. The answer papers of such candidates will not be valued unless it is clear that the omission of their names is due to no fault of theirs.

44. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

45. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examinations or is suspected of having had recourse to malpractice of any kind in connexion with the examination or whose answer papers contain objectionable matter is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

46. Candidates are forbidden to communicate with the Examiners; should they do so, their answer papers will not be valued and further their conduct will be reported to the Commissioner for any action that he may deem fit.

47. No information can be furnished in regard to the results of a candidate in any subject or in regard to the marks obtained by him or in regard to the particular section or subdivision in which he may have failed. The names of successful candidates in each subject arranged in two classes, First and Second, will be published in the *Fort St. George Gazette*. The pass-list for each grade of a subject as published in the Gazette is complete and final. Applications from or on behalf of unsuccessful candidates asking for information as to the cause of failure or for a revaluation of the answer papers will not be attended to. No revaluation of answer papers is permissible.

The tenderer's particular attention is drawn to the conditions and to the directions to parties tendering, detailed on the K-2 agreement form and also the sections and clauses in the Standard Preliminary Specifications of the Madras Detailed Standard Specifications dealing with (a) materials and workmanship, Section D, clauses 26 to 27 and (b) included in the contract rates, Section E, clauses 33 to 41 and 43.

7 Every tenderer is expected before quoting his rates, to inspect the site of proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained are given below. The best class of materials to be obtained from the quarries or other sources defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the Standard Specifications, or in the tender notice or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor after examination of the source of materials defined in the descriptive specification sheet, is of opinion, that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer, Nellore Division.

The Government will not, however, after acceptance of a contract pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of metalling, toll, etc.

8 The rate tendered should be for finished work in situ inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and in sums of three pies. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, overwritings or conversions of figures. Corrections where unavoidable should be made by crossing out, initialling, dating and re-writing.

9 Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates, without references being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

10 No part of the contract shall be sublet without written permission of the Executive Engineer, Nellore Division, nor shall transfer be made by power-of-attorney authorising others to receive payment on the contractor's behalf.

11 If further necessary information is required, the Executive Engineer, Nellore Division, will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

12 The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

13. No payment will be separately made for bailing water and for forming protective bunds in front and rear. The rate quoted by the tenderer for the respective items must include the above-mentioned charges.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

ലഹരി പാനീയങ്ങളുടെ ഉല്പാദനത്തിലും വിലക്കിയുള്ളതുമായ ഗവർണ്മെന്റിനെ അധികമധികമായുണ്ടായിവരുന്ന നിരതി നഷ്ടത്തിൽനിന്നു രക്ഷിപ്പാനായി പുകയില വില്പനയിന്മേൽ ഈ നിരതി മുണ്ടുവാനും പുകയില സംബന്ധിച്ചുള്ള വ്യാപാരത്തിനു ലൈസൻസ് ഏർപ്പെടുത്തുവാനാണ് ഈ ബില്ലുകൊണ്ടു ഉദ്ദേശിച്ചിരിക്കുന്നതു.

ചില്ലറ വില്പന ഒരു ലൈസൻസ്പ്രകാരമല്ലാതെ യാതൊരാളും വല്ല പുകയിലയും വിലുകയൊ, വില്പനവാൻ വെച്ചിരിക്കുകയൊ, ഒരു കല്ലാലിയൊ, കമ്മീഷൻ ഏജൻറായൊ എന്നു നിലയിൽ പുകയില വ്യാപാരം നടത്തുകയൊ ചെയ്യരുതെന്നു ബിൽ വ്യവസ്ഥ ചെയ്യുന്നു. എന്നാൽ പുകയില കൃഷിക്കാർ ഇപ്പോഴിരിക്കുന്ന യാതൊരു സ്വാതന്ത്ര്യത്തിലും ഇടപെടുന്നതല്ല. അതു കൃഷി ചെയ്യുവാനും കൃഷിചെയ്തുണ്ടാകുന്ന പുകയില വില്പനവാനും അവർക്കു സാധാരണപ്രകാരമായി സ്വതന്ത്രമായിരിക്കും.

" മദ്രാസ് പ്രദേശത്തിൽ പുകയില വില്പനയായി വില്പനയുള്ള പ്രത്യേക അവകാശങ്ങളിന്മേൽ ലൈസൻസുകൾ നല്കുവാൻ വ്യവസ്ഥ ചെയ്തിട്ടുണ്ട്. ആ ചരക്കുമായ വേലയിൽ ഏറ്റവും അധികം സംഖ്യ വിളിക്കുന്ന ആൾക്കാണ് സാ

ധാരണയായി ലൈസൻസ് കൊടുക്കുക. അതിനാൽ പുകയിലയുടെ ചില്ലറ വ്യാപാരം നിയന്ത്രിക്കുവാനും മൊത്തവ്യാപാരം എന്നു നിലയിലോ അതേ നിലയിലായിരിക്കും. രണ്ടോ മൂന്നോ തൂക്കത്തിനു മേൽ നിശ്ചിത സംഖ്യയും വിലയുടെ സംഖ്യയും അടിസ്ഥാനപ്പെടുത്തി ഒരു ചാർട്ടും കൊടുത്താൽ ഉയർന്നതരം പുകയിലസാധനങ്ങൾ ചില്ലറയായി വില്പാൻ ക്ലാസായ ഒരു എണ്ണത്തിനും ഇതിനു ലൈസൻസുകൾ നൽകുവാനുള്ള അധികാരം കൈക്കൊണ്ടിരിക്കുന്നു. ഇങ്ങിനെ ചെയ്യുന്നതിനാലും, മേല്പറഞ്ഞ വില്പനാധികാരം രണ്ടോ മൂന്നോ ലേലമോ ഉള്ള വില്പനയുടെ ശേഷമുള്ള സാമ്പത്തികഫലങ്ങൾക്കുവേണ്ടി ഇതര വ്യാപാരത്തിൽ മത്സരം ഉണ്ടായിരിക്കുന്നതിനില്ലാത്തതു കൊണ്ടാണു".

നിശ്ചിതമായ ഒരു ചാർട്ട് കൊടുത്താൽ മൊത്തവ്യാപാരികൾക്കും നിർമ്മാതാക്കൾക്കും മൊത്ത വ്യാപാരത്തിനായി ലൈസൻസുകൾ നല്കുന്നതാണു".

പുകയിലയുടെ ഉപയോഗത്തെ യാതൊരു വിധത്തിലും ക്ലേശപ്പെടുത്തുന്നതല്ല. എന്നാൽ ഈ ബില്ലിലെ വ്യവസ്ഥകളെ ഒഴിഞ്ഞുമാറുവാനുള്ള ശ്രമത്തെ തടുക്കുവാൻവേണ്ടി സർക്കാർ ഉപയോഗത്തിനു കൈവശം വെക്കുന്ന പുകയിലയെ സംബന്ധിച്ച് ഒരു ക്ലൂപ്പും ചെയ്യുന്നതാണു".

നിലവിലുള്ള ഫീസ്സുകൾ മറ്റൊരു രൂപേ ഗവർമ്മെന്റിനു ലഭിച്ചുവരുന്ന എല്ലാ സംഖ്യകളും നിലനിർത്തി ബാക്കിയെന്തുകൊണ്ടു ചെയ്യുവാനാവുന്നതാണു". ഈ ബില്ലിലെ നിബന്ധനകളെ ലംഘിക്കുന്നതിനു ശിക്ഷകൾ ഏർപ്പെടുത്തിട്ടുണ്ടു". ഉദ്യോഗസ്ഥന്മാരുടെ കല്പനകളിന്മേൽ അപ്പീലുകൾ ബോധിപ്പിക്കുന്നതിനും സ്വാധീനടപടികൾ ക്രമപ്പെടുത്തുന്നതിനുംവേണ്ടി വ്യവസ്ഥകൾ ചെയ്തിട്ടുണ്ടു".
